Dear Griffin Slobodnik,

Congratulations! On behalf of The 1916 Foundation Grant Committee, I am happy to inform you that you have been awarded a grant in the amount of \$12,500. This will be divided into two semesters. The check will be sent to the school, so I must have the school address, your school ID number and your social security number. The second semester check will be sent when I receive your grades in Late December or early January. Remember you must have at least a 2.5 average and take at least twelve hours.

You have also been granted the Forsythe scholarship! Every year, the members of Bob O'Link donate to The 1916 Foundation and a big reason why we have the program is because of Rick Forsythe, a member at the Club since 1987 until he passed away. Rick Forsythe was instrumental in starting the caddie program in the mid 90's and has raised millions of dollars since its inception.

This scholarship will earn you an additional \$2,500 towards your tuition and you earn this based on your grades, your dedication to Bob O'Link, and your character.

Please reach out to Sandy Forsythe with an email, letter and a phone call to thank her and her late husband for their generosity. Her contact details are below.
